## The **GRAFFITI** FOR THE SOUL Series

From a collection amassed over many years, **The GRAFFITI FOR THE SOUL Series** is a wonderful assortment of some of the most unpredictable, freaky, ridiculous, outrageous, and inspirational graffiti that has appeared on building walls, subways, bridges, and public washrooms. The subject matters are as varied as the workplace, the sexual, the metaphysical, the literary, the political, the religious, and the educational.

**The GRAFFITI FOR THE SOUL Series** (there are seven e-books) by Ernie J. Zelinski is a fascinating look at other people's thoughts, a great collection of amusing, unique humor, and passionate opinion.

The seven volumes from **The GRAFFITI FOR THE SOUL Series** are available on the **The Real Success Resource Center** Website at: [www.Real-Success.ca](http://www.Real-Success.ca).

## **GRAFFITI** FOR THE ADVENTUROUS SOUL

**This e-book may be freely distributed.**

**Shockingly enough, this is a FREE e-book to be given away — anyway you want. In fact, I would love it if you send out lots and lots of copies. It may not be sold nor modified in any way. You can have the movie rights, however, provided that you share half the profits with me and give me the starring role beside Nicole Kidman.**

You may give **GRAFFITI** FOR THE ADVENTUROUS SOUL to your friends and co-workers as a gift. You may also give it away on your website, offer it to other websites, include it as a free bonus, or include it in a package deal.

# VOLUME 6

## GRAFFITI FOR THE ADVENTUROUS SOUL

“Geography is everywhere,” says one piece of graffiti. Graffiti seems to be everywhere as well. This section includes graffiti found in public places such as walls in back alleys, front walls of businesses, fences beside roads, public washrooms, and even on vehicles. Occasionally I have indicated where the graffiti was written if the place has some significance to the item.

Throughout the book you will find graffiti in the “... Rules OK” form. This style apparently originated in Europe during the 1970s when OK was added to political slogans such as “Provo Rules” referring to the Provisional IRA in Northern Ireland. Over time, this form worked its way into North American and was incorporated into more humorous slogans such as “Astigmatism Rules, OK!” (written in letters four feet tall).
