The **GRAFFITI** FOR THE SOUL Series

From a collection amassed over many years, **The GRAFFITI FOR THE SOUL Series** is a wonderful assortment of some of the most unpredictable, freaky, ridiculous, outrageous, and inspirational graffiti that has appeared on building walls, subways, bridges, and public washrooms. The subject matters are as varied as the workplace, the sexual, the metaphysical, the literary, the political, the religious, and the educational.

The GRAFFITI FOR THE SOUL Series (there are seven e-books) by Ernie J. Zelinski is a fascinating look at other people's thoughts, a great collection of amusing, unique humor, and passionate opinion.

The seven volumes from **The GRAFFITI FOR THE SOUL Series** are available on the **The Real Success Resource Center** Website at: www.Real-Success.ca.

**The E-Book That Will Make You Smile - And
Possibly Make You Shun Hard Work Forever!**

This e-book may be freely distributed.

This is a FREE e-book to be given away — anyway you want. In fact, I would love it if you send out lots and lots of copies. It may not be sold nor modified in any way. You can have the movie rights, however, provided that you share half the profits with me and give me the starring role beside Nicole Kidman.

You may give **GRAFFITI FOR THE EMPLOYEE'S SOUL to your friends and co-workers as a gift. You may also give it away on your website, offer it to other websites, include it as a free bonus, or include it in a package deal.**

VOLUME #2

GRAFFITI FOR THE EMPLOYEE'S SOUL

As a professional speaker specializing in helping people attain a good balance between work and play, I have had an interest in good quotations about work and the workplace. Many of the quotations appear in my international best-selling book *The Joy of Not Working*. It naturally follows that interesting anonymous comments about the workplace in the form of graffiti has got my attention.

The following graffiti about work has come from diverse workplaces ranging from construction sites to coffee houses to corporate buildings. Among some of my favorite items is the first one on the following page.

NEVER LET YOUR
BOSS KNOW THAT
YOU EXIST

If you ARE wondering whether you HAVE
enough BRAINS to solve the problem, you don't.

Working here is a
nightmare. You want to
wake up and leave but you
need the sleep.

DO IT
TOMORROW,
YOU'VE ALREADY
MADE ENOUGH
MISTAKES TODAY!

EVERYTHING AROUND HERE
MAKES PERFECTLY GOOD SENSE
IF YOU NEVER THINK ABOUT IT.

STAFF NOTICE

Due to increasing expenses, fierce competition, and a keen desire to avoid bankruptcy, it is essential that we change our terms of employment with all our staff. It will now be necessary to do something out of the ordinary in between all the coffee breaks, smoke breaks, lunch breaks, conversation breaks, and stress breaks.

Management will soon implement what will be known as the:

"THE WORK BREAK"

CAREFUL PLANNING IS NO MATCH FOR DUMB LUCK.

The secret to every major work accomplishment is major deceit about the importance of the accomplishment.

THE BEST WAY TO GET THROUGH THE DAY QUICKLY IS TO SHOW UP REALLY LATE, TAKE A LONG LUNCH, AND LEAVE REALLY EARLY.

Better still, the quickest way to get through the day is to not show up for work at all.

The simplest explanation for my career screw-ups is that they just don't make any sense.

To learn from your mistakes, you must first realize that you are making mistakes.

On the other hand, you can't recover from a problem you don't have.
